PROFESSIONAL SUMMARY

M.Sc. Computer Science graduate with hands-on experience in Node.js, MySQL and REST API development, and an AI-based traffic management project using YOLO and OpenCV. Skilled in Python, Java and JavaScript, with Oracle and Cisco certifications. Seeking a Junior Software Developer or Full Stack Developer role. Open to relocation.

EDUCATION

M.Sc. Computer Science | 2024 - 2026
Sadakathullah Appa College, Manonmaniam Sundaranar University

B.Sc. Computer Science | 2021 - 2024
Sadakathullah Appa College, Manonmaniam Sundaranar University

TECHNICAL SKILLS

Programming Languages: Python, Java, JavaScript
Web Frameworks: Spring Boot, Node.js, Express.js, React
Frontend: HTML5, CSS3, JavaScript (ES6+), TypeScript
Databases: MySQL, SQL, SQLite
Tools & Platforms: Git, GitHub, VS Code, IntelliJ IDEA, Vercel, MS Excel, MS Word
AI & ML: YOLO, OpenCV, Deep Learning, Streamlit
Domains: Full Stack Development, RESTful APIs, AI Systems, Software Engineering

PROJECTS

YOLO-Based Density-Aware Traffic Light System | AI / Computer Vision
Tech: Python | YOLO | OpenCV | Streamlit | SQLite

- Developed an AI-powered web app that detects real-time vehicle density at intersections using a YOLO deep learning model.
- Implemented adaptive signal control that adjusts signal durations by vehicle count and emergency vehicle presence.
- Built a Streamlit interface with user authentication, video upload, live detection output and an analytics dashboard.
- Integrated SQLite for detection history and signal logs, with automated PDF report generation.

Online Food Delivery Website | Full Stack Web App
Tech: HTML | CSS | JavaScript | Node.js | MySQL

- Built a full-stack app where users browse menus, place orders and track deliveries in real time.
- Designed a responsive frontend with a dynamic cart and order management for a smooth user experience.
- Developed RESTful backend APIs using Node.js with persistent data storage in MySQL.

INTERNSHIP EXPERIENCE

Full Stack Web Development Intern | AstaSystech

- Trained in HTML, CSS, JavaScript, Node.js and MySQL; built REST APIs, database schemas and integrated UI components.
- Followed agile-style workflows, took part in code reviews and managed code with Git and GitHub.

CERTIFICATIONS

- **Agentic AI Certified Foundations Associate** | Oracle University | Nov 2026
  Foundational certification covering the core concepts of agentic AI. Valid until Nov 2028.
- **Introduction to Cybersecurity** | Cisco Networking Academy | Oct 2026
  Covers cybersecurity fundamentals: common threats, attacks and how to protect networks and data.
- **Full Stack Web Development** | AstaSystech | Training Certificate
  Hands-on training in HTML, CSS, JavaScript, Node.js and MySQL.

LANGUAGES

Tamil: Native **English**: Fluent
